Final joining instructions will be confirmed, in writing or by email, by 11 November

Proceeds in aid of Wrekenton Methodist Community Church

Experience unique shopping in York

With a mix of designer labels, high street names, independent shops and antique shops selling vintage jewellery, shops in York will satisfy even the most demanding shopper. Wander the web of cobbled shopping streets to browse the amazing array of independent boutiques, vintage stores and popular high street names.

Visit to York Designer Outlet

Before heading into York City Centre – our coaches will be dropping off at **York's Designer Outlet** – home to over 100 designer and premium brands all with discounts of up to 60% off RRP. With new fashions, sportswear and homewares arriving daily, there is something here for everyone. The centre has a safety-approved children's play area and a spacious Food Quarter with refreshments to suit all tastes.

We will then arrange to collect our passengers from the York Designer Outlet at approx. 1pm (time to be confirmed on the day) and take you to the City Centre. If you do not join the coaches at this point, it is then your responsibility to make your way back into the City Centre, to meet up with the coaches at the end of the day. The return buses run every few minutes from the Outlet, back into the City Centre.

For more info about York visit www.visitork.org

How to Book for York
